The standard charge for simple reports applies to most requests for documentation from the practice. Examples include; blue badge Form, fitness to exercise or for a sporting event, fitness to join a club, fitness to practice profession, private health insurance form, school absence letter, school fee insurance claim, seat belt exemption form, and most other letters not requiring examination. Those relating to insurance and 'fitness to exercise' are not subject to VAT, all others are subject to VAT at the current rate. This list is not exhaustive. If an examination or GP appointment is required see section above.

VAT status is determined by HM Revenue and Customs and the practice is obliged to charge VAT where applicable.

NB: payment is required in advance or at the time of treatment or completion of work and must be made by cash or cheque payable to Old Bridge Surgery.

Prices effective of July 2017
