

Firstly thank you for all your ongoing support, as we continue to vaccinate our most vulnerable patients.

Our next clinics at the Millpool Centre are:

**Monday 8<sup>th</sup> February & Friday 12<sup>th</sup> February**

By appointment only, we aim to finish vaccinating remaining patients aged 70 years and over and shielded patients by the end of next week.

**Please don't call us, we'll call you. Although if you have an appointment further afield, and would prefer to be vaccinated at the Millpool Centre next week, please call the surgery after 10am to book an appointment.**

Our practice nurses and paramedic will also be out and about in the community next week vaccinating housebound patients too, and we'll be moving onto other patient groups as soon as we can.

Finally, over 2,000 Old Bridge Surgery patients have already been vaccinated. Together we will get through this.
