

Surgery Updates – 25th April 2024

Spring Covid Boosters - Reminder

Reminder, if you are eligible for a Spring Covid booster, aged 75 years (on or before 30th June 2024), and haven't booked an appointment for the vaccination clinic taking place at Looe Community Academy this Saturday, please call today to book your appointment. Call us on **01503 266960**.

Light, Cameras, Action!

Amid a GP recruitment crisis last year, we agreed to participate in a new More 4 short series looking at GPs: Treating Rural Britain.

Whilst we've thankfully recruited 3 new GPs since November, the series will continue to help shine a light on our wonderful community / county and, hopefully, help to support future recruitment (if needed).

Starting tonight, camera's followed GP, Dr Bruce Hughes, and our lead nurse Laura Taylor, including patients too.

We feature in episodes 1 and 4 if you'd like to watch!

Brand New Series | Thursday 25th April | 9pm | More4

Bank Holiday – Reminder

Please remember the surgery is closed on the next bank holiday, Monday, May 6th. For assistance when we are closed, simply visit a pharmacy or contact 111. For details of local pharmacy opening hours [click here](#). For life threatening matters, please contact 999.

Alternatively, with increased levels of demand on our services, please don't forget you can see a GP from the comfort of your own home, or around work, in evenings and at weekends via the LIVI app. To find out more, and download the app, [click here](#).

If you are lucky enough to be going away, please remember to take your medications with you.

Kind regards,

GP Partners
